

Joint Clinical Workshop

“Innovative Technologies for Brain Health: Diagnostics, Monitoring & Accessibility”

2D-BioPAD / MUNASET / COMFORTage / EQUICARES

Agenda

Date	24 April 2024
Time:	11:00 EEST
Venue	Ok!Thess , Komotinis 2, 54655, Thessaloniki, Greece (Please register here)
Online:	MS Teams (Please register here)

Time (EEST)	Title & Speakers
11:00 – 11:10	Welcome - Apostolos Tsolakis , Q-PLAN International
11:10 - 11:30	Talks: R&I for Brain Health - 2D-BioPAD Aris Bakandritsos , Palacký University Olomouc - MUNASET Alexey Tarasov , Hochschule Kaiserslautern - COMFORTage Antonis Billis , Aristotle University of Thessaloniki - EQUICARES Konstantina Mataftsi , White Research
11:30 - 12:15	Talks: Clinical Studies in EU-funded projects – Outline / Barriers / Enablers - 2D-BioPAD Alina Solomon , University of Eastern Finland - MUNASET Felix Hempel , Hochschule Kaiserslautern - COMFORTage Luiza Spiru & Andreea Stamate , “Ana Aslan” International Foundation - EQUICARES Ana Vivas , South East European Research Centre
12:15 - 12:30	Short coffee break
12:30 - 13:00	Round Table: Accessible, scalable and effective technologies for brain health diagnosis, interventions and monitoring: challenges and opportunities. - 2D-BioPAD Alina Solomon , University of Eastern Finland - MUNASET Alexey Tarasov & Felix Hempel , Hochschule Kaiserslautern - COMFORTage Luiza Spiru & Andreea Stamate , “Ana Aslan” International Foundation - EQUICARES Ana Vivas , South East European Research Centre
13:00 - 13:15	Open Discussion: Strengthening collaboration in brain health research. Sli.do code # RDI4BH25
13:30 - 14:30	Light Lunch & Networking for strengthening regional collaboration and innovation.
